Supplemental Statement Filed Pursuant To The Duty To Disclose Under 37 CFR § 1.56, §1.97 and §1.98

Honorable Commissioner of Patents and Trademarks:

Pursuant to the duty to disclose under 37 CFR §§1.56, 1.97 and 1.98, Applicants request consideration of this Supplemental Information Disclosure Statement.

This Statement is being filed prior to the first Office Action on the merits in the above-identified case. No fee or certificate is therefore required.

Applicants make of record in the above-identified application the prior art listed on the attached form PTO/SB/08A.

A copy of each of the listed patents is attached.

In connection with the submitted art, it is all cited as background information. The references are actually directed to equipment other than the Surface Reflectance Analyzers described in the present application.

It is respectfully requested that:

1. The Examiner consider completely the cited references in reaching a determination concerning the patentability of the claims in this application;
2. The Examiner sign the enclosed PTO form listing the references to evidence that the cited patents have been fully considered by the Patent and Trademark Office during the examination of this application and that the references listed on the attached submission be printed on any patent that issues from this application.

By submitting this Information Disclosure Statement, Applicants make no representation that a search has been made, or the extent of any search, or that more relevant information does not exist.

By submitting this Information Disclosure Statement, Applicants make no representation that the information cited in the Statement is,

or is considered to be, material to patentability as defined in 37 CFR §1.56 (b).

Notwithstanding any statement by Applicants the Examiner is urged to form his or her own conclusion(s) regarding the relevance of the cited references.

Respectfully submitted,

Stanley Z. Cole
